Delivery Details:

We need to establish if our vehicle can park directly outside your home, if this is possible and there are **no restrictions**

please tick the following box If there are parking restrictions outside your residence please tick as applicable:

single yellow lines double yellow lines red route no stopping residence parking metered

Important: We expect to be able to park directly outside your residence/ within 50ft, we suggest that you contact your local authority / council / or constabulary in advance to reserve parking. Should you require us to arrange this on your behalf a fee of £60.00 per bay will be payable direct to EuroUsa France.

Please check box if assistance required with parking Mairie location

*** Note some mairies request 7 - 15 days notice on parking reservations*

Access to Residence:

On occasion we cannot gain access to the residence due to low bridges, narrow roads, steep hills or slopes. We therefore need to utilise a shuttle vehicle (a smaller vehicle that can access your property easier than a large articulated vehicle) . When this occurs we do charge a fee, dependant upon circumstances and location. *If you feel that this may apply for your delivery YOU MUST contact an Import coordinator to discuss further.*

My residence is:

Please tick as applicable House Town House (3 floors) Bungalow Appartment

My residence is on the floor, you can access this via the elevator which has a weight limit of kgs

with maximum people allowance of we have None / One elevator in the building.

The facilities manager at the building is called Telephone

Please state the length of walk from the vehicle **IF IT EXCEEDS 50ft / 17yds.**

Is there anything in your shipment that is particularly heavy that we may NOT be aware of? e.g any items that you know or believe may require more than two men to lift, or any goods that will require specialist lifting equipment at destination?

Please note we are contracted to deliver to the second floor only, we reserve the right to charge for any deliveries in full or part to residence above the second floor. We exclude accessing residences via windows, spiral stair cases or external stairways that do not meet adequate safety standards.

Is there any further information that we should be aware of?
